### The 19<sup>th</sup> SuperMap GIS Contest

Beijing, Mar, 2021

To college and university students:

SuperMap encourages all the college and university students to create and share innovative GIS projects. To give you the opportunity to strengthen your skills, you are invited to enter The 19<sup>th</sup> SuperMap GIS Contest.

The contest is organized by The Geographical Society of China, China Association for Geographic Information System, SuperMap Software Co., Ltd., and supported by HUAWEI and International Federation of Surveyors (FIG). All the college and university students can enter this contest by team and each team should consist of 1-4 students and up to 2 instructors.

Four categories are set for the contest, including Mapping, Application Analysis, Paper and Development. And the first, second and third prizes and bonus are set for each category. All the prizes will be determined by the invited experts and scholars in the industry, who will be responsible for the review of the competition on the principle of openness, fairness and justice.

If you are interested in this contest, please note that the Registration starts from **March 31, 2021**, and the Submission Deadline will be on **August 31, 2021**.

More detailed information about the registration, requirements and technical training can be found on the official website: <http://www.giscontest.com/en>.
